

Endpoint Security, Network Defense,
and Cyber Threat Management

Learn-A-Thon

Why join the Learn-A-Thon?

Participate in the Learn-A-Thon to help students prepare for the Cisco Certified Support Technician (CCST) Cybersecurity exam that focuses on topics covered in these three courses: Endpoint Security, Network Defense, and Cyber Threat Management. These courses form the core curriculum of the Cybersecurity Career Path.

When you teach cybersecurity, you provide your students with valuable skills companies continually seek from professionals that can protect and defend an organization's network. Entry-level job roles include Cybersecurity Technician, Cybersecurity Analyst, and Tier 1 Support Desk.

3.5 Million

undersupply of cybersecurity professionals worldwide

Continued lack of cybersecurity professionals threatens economic growth.

It is vital to have professionals who can provide cybersecurity leadership, test and secure systems, and train people in digital hygiene.

How to join the Nigeria Cyber Learn-A-Thon

1

Organize your academy for the **4-week** Cyber Learn-A-Thon, from **9 Oct - 3 Nov, 2023**.

2

Assign an instructor dedicated to manage the class and answer the students' questions.

3

Open your new class on skillsforall.com using your NetAcad instructor credentials. Students should not start before **9 October**.

4

Instructors must name classes with the following text at the beginning
< #NigeriaCyber2023_... >

5

Institutions interested in participating in the Learn-A-Thon must register using the form and agree to the Terms and Conditions.

6

The academy promotes the course in its community and enrolls its students in the Endpoint Security, Network Defense, or Cyber Threat Management course.

7

Instructors must engage students to **complete the course by 3 November**.

8

Compete for prizes and gain regional recognition for your academies, instructors and ASCs. Students will receive certificate and digital badges.

Earn a Digital Badge Today!

Join the Learn-A-Thon and reward your students with a digital badge to celebrate their achievement.
